

**Post-signing footnote to the Trustee Report & Accounts for the year ending 31 December 2023**

Due to a clerical error, the Chair's Governance Statement and the Implementation Statement included in the Trustee's Annual Report & Financial Statements for the year ending 31 December 2023 incorrectly refers to the DC Statement of Investment Principles being reviewed and updated on 13 October 2023/October.

The actual date that the DC Statement of Investment Principles was agreed and updated was 27 September 2023.

The DC Statement of Investment Principles as at 27 September 2023 should have been appended to the Chair Statement, but can be viewed on our [website](#).

The current DC Statement of Investment Principles, which supersedes the one dated 27 September 2023, can also be viewed on [our website](#).
